HAVE FAITH, DON'T WORRY and BE HAPPY!

“Do not fear, only believe!” *To the leader of the Synagogue.*

“Daughter, your faith has made you well!” *to the sick woman.*

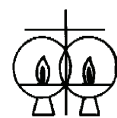

The Gospel today is centered on “healing through faith”. The first miracle of the daughter of the leader (Jairus) of the synagogue is basic and very emblematic. In the first instance, Jesus sends everybody away and together with the father and mother of the girl he goes up to the room, takes her by the hand and raises her up from death. But when people were laughing at Him because He said that she was sleeping, he looked at Jairus and said: “Don’t panic, just believe!”. The principal ingredient of healing is faith. Without faith there is no healing.

The same happened to the woman sick with hemorrhage for twelve years. She had a secret faith in Jesus; she knew that only by touching his cloak she would be healed. Jesus immediately realized that his power had gone out of Him to her because she had faith in Him. The crowd could not understand; as a matter of fact, even his disciples were laughing at him: “People are all over you and you are asking who touched you?” But that touch was different from all others; that was a touch of faith!

Faith is the first pre-condition for any type of healing. God cannot act when there is no faith. Even during this pandemic, faith is absolutely necessary. No faith, no healing, no security.

When you have faith, you do not worry too much because you know that Jesus can do everything that you need. You will get what you hope for; surely, sometimes we hope for things that are not really necessary, so God is not going to give it to us. Sometimes we want things that are only good for this world; but the gifts of God are eternal and good forever. Sometimes we even ask for the things that could compromise our own eternal salvation; so surely God is not going to give it to us. But if we have faith, the Holy Spirit in us will help us to ask for the right things and then surely God will grant to us all that we need.

HAVE FAITH, DO NOT WORRY AND BE HAPPY!
