## THE BAPTISM OF THE LORD

---

### DO WE NEED ANOTHER BAPTISM?

With the beginning of the School year we have organized a more personal and profound preparation to the Sacrament of Baptism. It has been a great opportunity for many young families and for us at the parish a real eyeopener.

We consider this not just a preparation for the Baptism of their child, but a REAL RENEWAL of our own baptism. Truly, we cannot give what we do not have, so before we are ready to give our faith to our children, we must have it ourselves in our lives.

We also found out that a sacrament is never limited to one person alone, but to the whole family and actually to the whole community; it is what we call the "communion of saints". The Baptism of a child is a unique opportunity that God gives that family, to become alive in faith again. It is a new life and a new beginning. Unfortunately, most of our families take this as a private business, when God is never private, but always communal.

We wish to bring these young families to a sincere new commitment, to live and share their own faith with their children. It is not easy to build a "Christian family" according to the values of the Gospel. It is not easy to show to our children what it means to become "disciples" of Jesus; it is a whole lifelong commitment to build in our families the "domestic church" that we already are.

Is Jesus the center of our families? Is Jesus the main reason of our lives? What is the real vision we have for our children and all our family? It is not enough to be "a good family"; most of human beings want a "good" family full of happiness and love, but is it enough to become a "real Christian family"?

YES, WE NEED ANOTHER BAPTISM, because maybe we do not know yet what it means to be "a disciple of Jesus" a real "son/daughter of God the Father, breathing with the same Holy Spirit, who was given to us the day of our Baptism. What a pity to have received the greatest gift one can imagine, (the life of God in us) and not even realize that we haven't started living it in our life!

Are we interested in another Baptism? Are we interested in reviving our own Baptism?
